 HOOSIER TIRES AND SUNOCO FUEL WILL BE AVAILABLE AT TRACK**

!!ATTENTION!!

In compliance with our contract with the Tulsa Fairgrounds, ALL participants MUST run fuel purchased from Simons Petroleum at the Event.

This fuel, containing 10% ethanol, will improve the air quality inside the building. Fuel will be checked in the staging area & any infractions will result in disqualification of car and driver. A colored dye will be added to the fuel for the purpose of enforcing the rule. There will be no exceptions and this will be monitored by the Tulsa Fairgrounds.

NO outside fuel will be permitted. Any trailers found to be transporting fuel into the building will be escorted from the premises by the Tulsa Fire Marshall.

All Teams will be REQUIRED to have a fire extinguisher (in good working order and within date) in their trailer or at their pit stall.
